

Packaging Guide

Version 1.0 • December, 2022

1. Grab a MC330(R) handheld

2. Launch the Angelpaw App

3. Login using a valid **CREMATORY PACKAGING** user and be sure to select your **CARE CENTER** from the **SELECT ENV** dropdown list

4. Turn on the station's TV screen and mini computer and open the internet browser. Access your **CARE CENTER's** Angelpaw URL and login using your handheld credentials.

NOTE: On the TV screen you may list your care center stations, print barcodes and manually type a pet's tag.

5. Start on the TV Screen

You may list all pets under the **FURNACE(s)** and/or **POST CREMATION PROCESSING** in order to plan the day's work. To do this, just click on the dropdown box and look for the station to select it.

After selecting a **STATION**, you will see a list of pets on that location

6. Once the pet has arrived to the **PACKAGING STATION**, you may start
7. Grab the pet's tag and scan it. The pet's data should pop up on the station's TV screen as well as on the handheld. If needed, you can type the pet's tag number on the TV screen text input box. That will work the same way as scanning the pet's tag does.

NOTE: To scan the tag, you press the "gun trigger" of your handheld while pointing to the pet tag.

9. The elements on the handheld are as follows:

NOTE: The pets are not allowed to move to the next station until the items are scanned on both SPECIAL SERVICES and PACKAGING.

The screenshot shows the Angel Paw mobile application interface. At the top, the status bar displays the time 13:55, a chat icon, and battery level. The app header features the 'Angel Paw' logo and a 'SCAN OTHER PET' button with a menu icon. The main content area is divided into sections: 'SERVICE DETAILS FOR:' containing 'Testing' and 'TEST00000002' (labeled 'Pet Name & Pet Tag'), 'Veterinary Medical Ce' (labeled 'Hospital & Service Route'), 'CURRENT LOCATION:' containing 'Staged for Individual C' (labeled 'Pet's Current Location'), and 'CHOOSE NEXT STATION:' (labeled 'Next Location Dropdown List'). Below this is a 'CHOOSE NEXT LOCATION' dropdown menu. A large blue button labeled 'MOVE TO NEW LOCATION' is prominently displayed (labeled 'Action Button'). Underneath is the 'SPECIAL SERVICE ITEM(S) SECTION' (labeled 'Special Services & Items Section'). At the bottom center is a circular blue button with a QR code icon. The Android navigation bar is visible at the very bottom.
